Thursday, 4 September 2014

By Gemma Fottles

The Cannes Yachting Festival will open its doors next week. Held from 9th - 14th September, the following are 10 new superyachts that you do not want to miss at this year's show, presented according to length in descending order.

DL Yachts 34m

The new 34 metre superyacht from DL Yachts reduces fuel consumption due to its streamlined shape and is designed by Enrico Gobbi of Team 4 Design. One of her many unique features is her "lama chine waveless hull", designed by Giuseppe Arrabito from Arrabito Naval Architects. She has an impressive range of up to 3,500 miles and accommodates up to 10 guests over 5 cabins, and a further 5 crew.
